SMS Message sent 2/7/2022 4:25:49 PM

I sent this to Gina on the weekend. "Hi, retired CBSA guy resident has a question about a friend of his being kept out at checkpoint, not allowed to visit . When possible could someone give him a call ? [REDACTED] Thanks."

[REDACTED] response . "Jim L Willett They called and spoke with [REDACTED] with literally no explanation on how or why visitors are not allowed. Suggested calling local detachment to get answers. So your comment about local detachment not having anything to do with this doesn't fly."

So I need some clarification as does [REDACTED]

SMS Message received from Cpl. Curtis Peters 2/7/2022 5:23:58 PM

We are going to have a meeting at 815am in milk River again. With hutterite representatives and rcmp boss if you'd like to join us

SMS Message sent 2/10/2022 8:46:19 PM

I hear conflicting things on [REDACTED] Some locals don't trust or like him. Curious about councillor [REDACTED] as well. Audio wasn't that great so I missed the back story. I'm guessing one of his MLAs is [REDACTED] Renegade. Some serious politics in that case.

SMS Message received from Cpl. Curtis Peters 2/10/2022 8:47:24 PM

CP

MLA in question is [REDACTED]

SMS Message received from Cpl. Curtis Peters 2/10/2022 8:48:19 PM

CP

He is trying to play both sides in my opinion. He isn't in a position to be able to help end this (at least not before june)

SMS Message received from Cpl. Curtis Peters 2/10/2022 8:50:04 PM

CP

[REDACTED]d suggest is similar in that he wants to be one everyone's team. People wonder where you stand when you can stand everywhere.... but I will take help where I can get it. for the time being, this is what we have.

SMS Message received from Cpl. Curtis Peters 2/10/2022 8:50:17 PM

CP

1030 am is meeting if you want to zoom again

SMS Message sent 2/10/2022 8:50:42 PM

SMS Message sent 2/10/2022 8:51:17 PM

Sure. Not going anywhere! Lol

I've set my phone to block unknown callers. It should ring for you. If it doesn't , text will still work, for now .

SMS Message sent 2/11/2022 4:08:10 PM

Jory texted he heard there was a meeting with Quentin and Matt and the mayors of Coutts and Milk River. I said the only meeting I was in was a Zoom call with bad audio. Didn't catch any names. He said just wanted to give me a heads up they had been at the church mildly harassing some folks, always seem to be causing trouble. Told him I a new guy here, don't know most people and terrible with faces. He said he was too. Thanked him for shovelling the walks , end of convo.

Sometimes we are actually rushing to deal with things... such as excavators going to block the highway.
And a drug overdose at the protest for instance

SMS Message sent 2/13/2022 7:57:10 AM

I know. Sorry. I appreciate that and I do reply to folks that you are aware and doing your jobs. People gonna be people. Won't mention it again .

SMS Message sent 2/13/2022 5:47:05 PM

AHS was prepared to shut down Hills of Home, the restaurant Bed and Breakfast. With mandates off not sure if they still want to but if they do , and you could expedite it, it would remove a source of food and supplies, and I think that is a meeting place as well. Just a thought.

SMS Message received from Cpl. Curtis Peters 2/13/2022 6:36:28 PM

CP

Ya We explored that with them last week

SMS Message sent 2/13/2022 6:37:23 PM
